

Water Monitoring in Fish Farming

PHOTOMETRIC PARAMETERS, pH AND DO · ANALYSIS OF FISH POISONS (NH₃, CO₂, NO₂ ...)
EASY AND EFFICIENT

**Fish farming
special offer**
until 30th Sept 2019

a xylem brand

Protect your Fish Farm

In modern fish farming many factors have to be considered in order to ensure a good yield and avoiding damage as well as environmental stress. Water quality assurance requires monitoring of many parameters on a regular base: This includes D.O., phosphate, nitrate and COD within the aquaculture itself or from impact of agrarian fertilizers. Particularly fish poisons such as free ammonia (NH₃), Nitrite or CO₂ need to be observed as well. Therefore, we have put together three special packages for your needs:

The portable labs for photometry and D.O. measurement

pHotoFlex® pH - Colorimeter with full pH measurement functionality in a field case

- more than 150 programs for commercial test kits
- pH electrode for pH measurement with temperature compensation
- pH dependent measurement of NH₃ and CO₂ concentration
- A wide variety of test types, from vials to powder pillows

Work safely on-site

- Robust, battery-saving und waterproof (IP 67)
- Intuitive handling and waterproof program list
- Data storage and data management
- Everything stowed safely in compartments

Multi 3510 - Portable D.O. field set

- Digital single-channel multi-parameter instrument
- Optical D.O. sensor FDO® 925
- Sensor with protection cap
- Factory-calibrated

Continuous monitoring of Dissolved Oxygen

IQ SENSOR NET System 181 with D.O. sensor FDO® 700 IQ F (freshwater)

- O₂ at a glance
- Optical D.O. measurement with FDO® 700 IQ F sensor
- Factory-calibrated
- Sensor with protection cap

Fish farming special offer
until 30th Sept 2019

Order information

Model	Description	List price	Promo no..	Promo price
photoFlex pH-Set AQUA	pHotoFlex pH field case at price of standalone instrument	2390,-	199 324	1850,-
Multi 3510 Set AQUA	Field case for optical DO with protection cap	1514,-	199 323	1299,-
181 O ₂ -Set AQUA	Set for stationary optical DO with protection cap	2497,-	199 325	1999,-
